

To: Members of the Finance Committee

My name is Jonah Umbro and I am a resident of Fairfield, CT. I am writing with regard to HB 05653. I am in complete support of this bill. I am a parent of young children and will do anything to protect and ensure the safety of my kids and anyone else's. Like most Americans, I am absolutely outraged by the gun violence in this country and am in complete disbelief that there is not unanimous support for more laws and measures to prevent gun violence. I whole heartedly support this bill. It is a practical measure that aims to support prevention of gun violence in our communities.

Thank you.
